

## Printing Requirements

- for velvet bags -

Your guests will receive the velvet bags filled with chips from the candy girl, at the cash house or directly at the gambling tables. Alternatively, the velvet bags can be placed at the dinner tables. As a memory of an exciting casino night, your guests can take home the velvet bags after the event. We are happy to advise you personally.

We will need the following data from you:

- **colour:** black, blue, burgundy or bright red velvet bags are available
- **EPS-file** (within CS4) or alternative image file with at least 300 dpi
- **size:** 90 mm x 145 mm; **print area:** 30 mm x 65 mm, other sizes available on request
- for colour printing the file must be created in **Pantone colours, RAL or HKS** (no gradients), the fabric can cause small variations in colour
- **single-sided printing** (two-sided printing available at extra cost)
- production time: **21 work** days from final print file
- if graphic design and creation of the print file is done by Royal-Events, additional costs of about 100,- Euro net will be charged
